

## Get started with Teladoc®

It's quick and easy to set up your account online. Visit the Teladoc website and click "Set up account". Then follow the instructions below.

1. Provide your name, contact information, and date of birth
2. If you have a username, choose "Yes" and enter it here. If you don't have a username, choose "No, I don't have a username."

*Not all members have a username, so don't worry if you need to select "No."*

3. Select option "My Employer" Type "MDConsult247" in the box. The name should show and just click on MDConsult247"

Then enter the requested information to set up your account online. Should you have any issues you can call 800-Teladoc (835-2362) and they will set your account up for you.

The image shows two screenshots of the Teladoc registration process. The first screenshot shows the 'Enter Account Information' step with callouts 1 and 2a. Callout 1 points to the 'Please provide the following information' section where fields for First Name, Last Name, Email Address, Phone Number, and Date of Birth are filled out. Callout 2a points to the 'Do you have a username?' question where 'No, I don't know my username' is selected. The second screenshot shows the 'Confirmation' step with callouts 2b and 3. Callout 2b points to the 'Do you have a username?' question where 'Yes, I know my username' is selected. Callout 3 points to the 'How did you find out about Teladoc?' question where 'My employer or insurance provider offers me access to Teladoc' is selected. The 'Who is your employer or insurance provider?' field is also visible.
